

PRESTA

EASY DEPLOYABLE

Plug & play portable LED video wall system that only takes 30 minutes to setup. All components are securely packed in the rolling ATA road case for convenient transportation, ensuring safe transit and hassle-free mobility.

APPLICATIONS

- Hotels & In-House AV
- College & University Campuses
- Cruise Ships & Pop Up Events
- Convention Centers & Expos

PLUG & PLAY SYSTEM

This system comes with a built-in processor with HDMI port included, making the setup quick, easy, and hassle-free. This all-in-one solution eliminates the need for additional components.

QUICK & EASY ASSEMBLY

Enjoy the convenience of a video wall that requires only 30 minutes of manual assembly. Mounting frame is securely attached to the ATA road case, ensuring stability. Saves time and effort, enabling you to quickly deploy your video wall for any application.

CONVENIENT PORTABILITY

All panels and components are packed in the durable rolling ATA road case, ensuring easy and safe transportation. This design provides protection during transit and simplifies the logistics of moving your video wall between different locations.

VARIOUS INDOOR APPLICATIONS

This system is a versatile choice for various indoor applications. This video wall delivers reliable performance and adaptability to meet your needs.

SPECIFICATIONS

REMARKS

Power consumption tolerance: $\pm 15\%$, according to the actual situation. Pensar LED LLC, reserves the right to modify specifications and parameters without further notice.

Description	108"	136"
Pixel Pitch (mm)	1.2	1.5
LED Type	SMD1010 or Flip Chip COB	
Wall Size (m)	2.4x1.4	3x1.7
Wall Size (inch)	94.4x53.2	118x66.5
Resolution	1920x1080	
Contrast Ratio	5,000:1, 10,000:1	
Brightness (nits)	800-1,200	
Gray Scale (bit)	14-16	
Refresh Rate	3840	
Viewing Angle (degrees)	160Hx160V	
Operating Voltage	110/240 AC	
Power Average/Max (watt)	2592	4050
IP Rating	30	
Maintenance	Front	
Installation	Deployable/Transformer
