OUTDOOR LED FOR CLOSE VIEWING

The ICE Series is a premium fine pixel pitch LED display solution engineered for high-resolution visuals for up-close outdoor applications. Designed for situations where clarity, reliability, and design matter. The ICE Series delivers stunning image quality with pixel pitches as tight as 1.9mm and brightness levels ranging from 3,000 to 5,300 nits. Whether for retail entrances, outdoor signage, or outdoor public areas, ICE ensures flawless performance and exceptional visibility.
