STREAMLINE

All-In-One

The Streamline AIO Series is completely bezel-less and combines the latest Flip Chip COB technology with plug and play simplicity. Delivers unmatched visual performance, flexibility, and is energy efficient. Includes built-in processor with the ability to upgrade to a TU20 Pro for enhanced features and functionality. Comes in multiple display sizes of 108", 135", and 162" that hit HD resolutions perfectly. Simple and easy to install. Comes standard with wall mount. Moveable floor stand is optional.
