VEGAS

POP UP LED DIGITAL POSTER SIGNAGE

Vegas is a portable, all-in-one LED digital poster that brings your message to life anywhere you need it. With a sleek bezel-free screen, built-in wheels, and support for video, image, and cloud-based content, it's ready to roll into any places. Need more impact? Seamlessly connect up to six units to create an extended visual experience.

DESIGNED TO IMPRESS

The Vegas features Flip Chip COB technology for crisp, clear, vibrant visuals that stay sharp over time. Enjoy rich color and deep contrast in a sleek, modern design that's built to last. Each LED is fully sealed and encapsulated for protection, making it resistant to minimal impact, dust and moisture. It's very power efficient, runs cooler, and always delivers a flawless viewing experience. The Vegas delivers high-end performance that you can count on.
